# DUCK in the TRUCK

Jez Alborough

This is the rock struck by the truck

and this is

the muck

where the truck becomes stuck.

These are the feet which  
jump the Duck down

into the muck  
all yucky and brown.

This is the frog who  
spies from the bush

and croaks, "I'll help you  
give it a push!"

This is a sheep  
driving home in a jeep.

"Get out of the way,"  
he yells with a beep.

This is the quack of an angry Duck.  
"I can't," he snaps, "my truck is stuck."

This is the  
quiet...

...as they think  
what to do.

"Got it!" croaks Frog,  
Sheep can push too."

This is the slurp      and squelch      and suck

as the Sheep steps slowly through the muck.

This is the push at the rear once a

This is the pull as the boat takes the strain.

This is the truck with the engine on fast

back on the track...

UNSTUCK AT LAST!

This is the Duck driving home in the truck

leaving the Frog, the Sheep and the Goat...
