

Going to the

Doctor

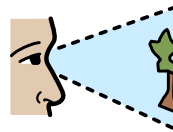

I

need

to go

and

see

a

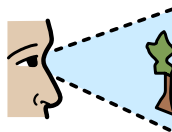

Doctor.

I

need to

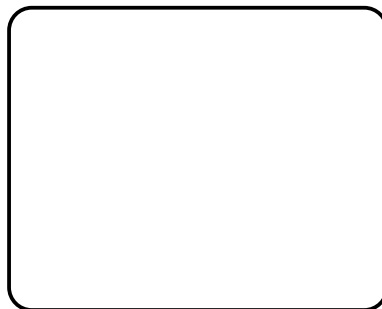

see

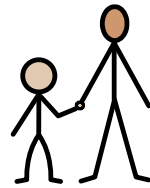

a

doctor

because

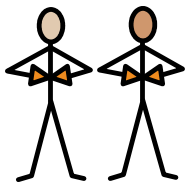

will take me to the

doctor.

We

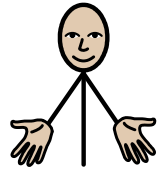

will

to the

Doctor

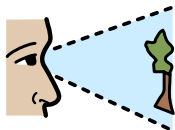

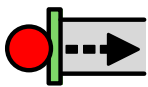

At the doctor's surgery, I will need

to wait in the waiting room. They will

call my name when the doctor is

ready to see me.

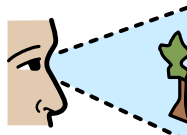

When

the

doctor

sees

me, they

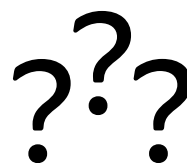

might

ask

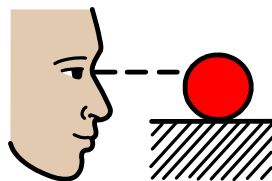

me

some

questions.

They might want to

look at

something on my

body.

The

doctor

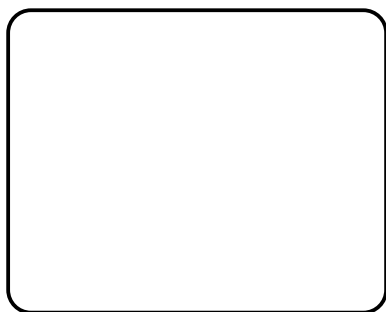

will

help

me.

will be there to

help

me

too.

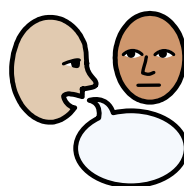

I can

ask questions.

I can

say

how

I

feel.

I

feel

about

going to

the

doctor.
